CARE PACKING/CARE LETTERS: Annual year-round support and Challenge America (National Packing events). Our goals are to ensure every deployed Service Member, Veteran in a VA hospital or VA home receives a care package, through regional and local partnerships.

PATH TO STRENGTH COMPUTER TRAINING PROGRAM: (WWPTS): A classroom / bedside computer program for our Wounded Service members – It is a partnership developed with Dell, Microsoft, Verizon and Sprint. Through the maturity of this program we are able to provide Hardware Capital (Dell Laptop-with MS Office and Windows OS), Knowledge Capital (Four Days of Microsoft Classes) and Social Capital (Active broadband-AT&T, Verizon or Sprint) used to access the internet anywhere - connect to Family, Unit, Case workers and the Microsoft on-line academy to complete the individual course modules to receive Microsoft Certifications. These are critical tools for our Service members to continue their training and education, and stay connected with family, social and professional networks/organizations.
